## URC2018 Scores

### Presenting the Final Scores for URC2018!

| Team Name                            | University                                    | SAR Score | Science Cache Task | Extreme Retrieval and Delivery Task | Equipment Servicing Task | Autonomous Traversal Task | Penalties | Total  |
|--------------------------------------|---|-----------|--------------------|-------------------------------------|--------------------------|---------------------------|-----------|--------|
| PCz Rover Team                       | Czestochowa University of Technology          | 89.55     | 95.65              | 100                                 | 59                       | 30                        |           | 374.20 |
| Mars Rover Design Team               | Missouri University of Science and Technology | 90.70     | 91.30              | 90                                  | 57                       | 10                        |           | 339.00 |
| IMPULS                               | Kielce University of Technology               | 87.67     | 95.65              | 50                                  | 49                       | 40                        |           | 322.32 |
| Raptors                              | Lodz University of Technology                 | 89.72     | 60.87              | 70                                  | 57                       | 40                        |           | 317.58 |
| BYU Mars Rover                       | Brigham Young University                      | 86.37     | 95.65              | 42                                  | 26                       | 55                        |           | 305.02 |
| IUB Attendant                        | Independent University Bangladesh             | 80.48     | 100.00             | 50                                  | 63                       | 0                         |           | 293.48 |
| Mars Rover Manipal                   | Manipal University                            | 83.19     | 91.30              | 70                                  | 24                       | 10                        |           | 278.49 |
| University of Warsaw Rover Team      | University of Warsaw                          | 73.31     | 78.26              | 50                                  | 65                       | 0                         |           | 266.57 |
| Michigan Mars Rover Team             | University of Michigan - Ann Arbor            | 81.39     | 100.00             | 40                                  | 37                       | 6                         |           | 264.39 |
| Cornell Mars Rover                   | Cornell University                            | 79.30     | 93.04              | 40                                  | 20                       | 10                        |           | 242.34 |
| Robotics for Space Exploration       | University of Toronto                         | 83.82     | 95.65              | 40                                  | 21                       | 0                         |           | 240.47 |
| QSET (Queens Space Engineering Team) | Queen's University                            | 80.05     | 91.30              | 50                                  | 13                       | 0                         |           | 234.35 |
| BRACU Mongol-Tori                    | BRAC University                               | 85.88     | 100.00             | 24                                  | 19                       | 0                         |           | 228.88 |
| Nova Rover Team                      | Monash University                             | 85.52     | 100.00             | 32                                  | 1                        | 0                         |           | 218.52 |
| Ryerson Rams Robotics                | Ryerson University                            | 75.17     | 91.30              | 30                                  | 22                       | 0                         |           | 218.47 |
| Wisconsin Robotics                   | University of Wisconsin-Madison               | 85.49     | 86.96              | 6                                   | 38                       | 0                         |           | 216.44 |
| Pharaohs                             | Military Technical College                    | 84.91     | 82.61              | 24                                  | 19.2                     | 0                         |           | 210.72 |

|   |   |       |        |      |      |   |        |
